The **ART & CRAFT WARFARE** supports personal, social, moral, spiritual, cultural and creative development within the context of formal education.

It also enables participants to engage with and explore visual, tactile and other sensory experiences and how to recognize and communicate ideas and meanings. These opportunities enable them to work with traditional and new media, so that they develop confidence, competence, imagination and creativity.

## About Atmiya Institute of Pharmacy:

Atmiya Institute of Pharmacy was established in 2005 with the aim to provide quality education at degree and postgraduate level in pharmacy and to prepare youth to meet the challenges in the area of pharmaceutical research & development as well as marketing

The institute is also well known for nurturing of students by co-curricular and extra-curricular activities like industrial visits & training, seminars, workshops, conferences, expert lectures, communication skills, placements and many more. Institute is poised to face global challenges of pharmaceutical industries and education with the changed perspectives.
